

CDROM Order Form – Bristol Channel Project

The data are available free of charge once you have completed the user registration details below.

User registration

Please complete the following and return by mail, email or fax to BODC at the address below.

Your details Title:..... Name:.....

Job title: Organisation:

Address:

.....

.....

Telephone:..... Email:

Unless agreed otherwise in writing with BODC, I will not pass these data to a third party, other than for the purposes of collaborative research, without the written agreement of BODC.

Signed:..... **Dated:**

Data attribution and ownership

Any publication or other output resulting from the usage of the data should include an acknowledgment of the data source. The recommended acknowledgment is:

'This study uses data from the Bristol Channel Project CDROM; project coordinated by the Natural Environment Research Council (NERC) Institute for Marine Environmental Research (now Plymouth Marine Laboratory); data provided by the British Oceanographic Data Centre and funded by the Natural Environment Research Council.'

The ownership of the data remains the property of NERC and/or the originating source(s) providing the data to NERC.

Disclaimer

BODC and the data originators do not accept any liability for the correctness and/or appropriateness of the interpretation of the data; this is solely the responsibility of the data users.
