2003 CHARTER CRUISE PROGRAMME

PROGRAMME: ANGELLE MARIE 1/2003

STAFF: M P Parker-Humphreys
B F M Harley

DURATION: 16-20 May 2003

LOCATION: The Solent, Southampton Water, Chichester and Langstone Harbours

AIMS:

1. To carry out the annual May trawl survey for pre-recruit bass in the Solent area.
2. To determine the relative abundance and distribution of juvenile bass and other species in the Solent and associated harbours.

PLAN:

Staff will travel to Portsmouth on 15 May and will meet the charter vessel to load the survey gear. Fishing will commence at stations in the standard survey area on 16 May and will continue for 5 days. Staff will return to Lowestoft on 20 May.
