2007 CHARTER CRUISE PROGRAMME

PROGRAMME: ANGELLE MARIE 1/2007

STAFF: M. Brown
R. Bush
D. Brown

DURATION: 20 – 24 May 2007

LOCATION: The Solent, Southampton Water, Chichester and Langstone Harbours

AIMS:

1. To carry out the annual spring trawl survey for pre-recruit bass in the Solent area.
2. To determine the relative abundance and distribution of juvenile bass and other species in the Solent and associated harbours.

PLAN:

Staff will travel to Portsmouth on 19 May 2007 and will meet the charter vessel to load the survey gear. Fishing will commence at stations in the standard survey area on 20 May and will continue for 5 days. Staff will return to Lowestoft on 24 May.
