

R1/12

Not to be cited without prior reference to the Marine Laboratory, Aberdeen

FRV *Scotia*

Cruise 0295S

REPORT

23-31 January 1995

Personnel

J M Pirie SSO
D Campbell SO
M R Robertson HSO (pt)

Objective

To undertake water and biological sampling for the National Monitoring Plan (NMP).

Out-turn Days per Project: 9 days BGA 1

Narrative

Scotia sailed at 1000 hours on 23 January and proceeded to the Minches. West coast sampling was commenced at 0650 hours on 24 January at NMP Station 8 and completed at NMP Station 3 at 2400 hours on 25 January. East coast sampling was commenced at 1400 hours on 27 January at NMP Station 10 in the Moray Firth. Sampling was broken to pick up M R Robertson at Macduff at 0900 hours on 28 January. All objectives were successfully completed on 30 January and *Scotia* docked at 2400 hours in deteriorating weather conditions.

Results

All samples await analysis and interpretation.
