

Please continue on separate sheet if necessary

**TRACK CHART:** You are strongly encouraged to submit, with the completed report, an annotated track chart illustrating the route followed and the points where measurements were taken.

Insert a tick(☉) in this box if a track chart is supplied

**GENERAL OCEAN AREA(S):** Enter the names of the oceans and/or seas in which data were collected during the cruise – please use commonly recognised names (see, for example, International Hydrographic Bureau Special Publication No. 23, 'Limits of Oceans and Seas').

Indian Ocean, South Atlantic Ocean.

### ASTTEX/AUCE recovery cruise
